Knights Inn Barriere becomes certified 3-star Hotel by Tourism, BC, Canada Select
Property recognized for excellent inn-provements

The Knights Inn Barriere was recently approved as a 3-star Hotel by Tourism, BC, Canada Select. The property has undergone major renovations over the past year since local business man, Ron Mundi, purchased the property.

The success of the renovations is only a small part of what makes the Knights Inn Barriere noteworthy; Mundi and his staff provide their guest with unmatched customer service.

"Good services is necessary to be successful," says Mundi, "when people stay at your property they are your guest; they should receive the best treatment possible."

It is this attitude, as well as his dedication to continually improve his properties, that earned Mundi the recognition of Franchisee of the Year for the Knights Inn System.

"We're proud that Ron continues to support the Knights Inn Brand," said Glen Blake, President of Knights Inn Canada, "He has done a wonderful job with the Knights Inn Barriere, creating a premier choice for anyone looking for affordable and quality lodging in the Barriere area."

The 25 room, newly renovated property has been welcoming guests since December of last year.

Knights Inn Canada is currently looking to expand their portfolio across Canada and are expected to open 10 new properties over the next 24 months.
