Howard Johnson Canada celebrates top quality properties

Oakville, ON. Feb 4, 2010 – Howard Johnson Canada announced today their top quality properties of 2009. A total of nineteen properties across Canada received the coveted Gold Medal status.

“Each and every one of our Howard Johnson franchisees are committed to quality and service,” stated Glen Blake, president of Howard Johnson Canada Franchise Systems Limited, “but we think it is important to recognize our properties that continue to go that extra step to provide a truly wonderful guest experience.”

The Gold Medal status represents a commitment to quality, consistency and service, with high marks on their Quality Assurance scores in areas such as cleanliness, property maintenance and brand standard compliance.

“We’re thrilled with these results,” said Blake, “and with the numerous renovation projects our franchisees have planned for 2010, we know this group will only grow larger in the upcoming year!”
